

Storage and transport of aromatic ingredients and chemicals

- LIQUID PRODUCTS
- VISCOUS PRODUCTS
- POWDERY PRODUCTS

TYPE 4™

Made of pure aluminum, the Type 4 range, offers a protection against shocks, compressions or perforations and maintains the integrity of your products thanks to the chemical neutrality of the aluminum.

From 2L5 up to 30L this range allows a very convenient handling and an efficient pouring thanks to its wide opening.

MAIN USES

Ideal for storage and transport of aromatic ingredients, non sterile pharmaceutical bulk, lacquers, adhesives...

TYPE 4™

LIGHT AND RESISTANT

- Pure aluminum.
- Excellent mechanical resistance against shocks, perforations and compressions caused during transport.
- Chemical resistance ensured by aluminum or, if necessary food grade coating.
- Protection against gas and light.
- Excellent thermal and electrical conductivity.
- Aluminum bottle weight comparable to plastic materials.

TIGHTNESS

- Seamless structure.
- Optimized land seal surface.
- Resistant and compressible liner (PE foam/Alu).

USER FRIENDLY

- Same closure system for the whole range from 2L5 up to 30L.
- Easy pouring thanks to the 68 mm opening..
- Efficient grip.
- Double handle for easier carrying.
- Capping / tightening tool.

OPTIONS

- Plain aluminum finish as standard, or food grade coating.
- External lacquering.
- Silk-screen printing.

RECYCLABLE

- High value of aluminum scrap.
- Bottle is made of 100% aluminum.

Note: user is responsible for the compatibility of its product with the Tournaire packaging system, see our general sales terms.

A RANGE FROM 2L5 UP TO 30L

Capacity (L)	Quantity per box	Quantity per pallet	Outside thread Ø (mm)	Ø inside neck (mm)	Ø outside body (mm)	Bottle height (mm)	Label height (mm)	Weight (g)
2L5	60	420	87	68	120	281	221	245
5L5	26	156	87	68	175	284	208	320
6L25	26	156	87	68	175	325	249	442
12L5	9	90	87	68	220	399	305	740
30L	4	33	87	68	300	534	410	1 650

Indicative data - Total height and weight without closure.

CLOSURES

- Standard type 4 cap: 200 pces per carton • Ø 70 plugs: 570 pces per carton
